Lutherans in Mission Working Around the World . . .

Important Invitation to NHMS Supporters

We thank you for past and continued financial support for the work and ministry of the New Hope Mission Society. Our partners at the Bishara Center in Southern India have 2 special projects. These projects go beyond the normal operating expenses and are considered crucial capital improvements to the facility. **We hope that by year's end we can come together to provide funding for these two projects and also come from behind to meet our normal budgeted needs.**

To ensure funds go to the proper project, the word DORM or POND must be noted in the special notes/ memo section of your donation. **(NOT ON THE "PAY TO THE ORDER OF" LINE)**

Fundraising event ends on March 1, 2025.

Funds donated over the total needed will go into NHMS General Operating Funds.

First Project: Completing Three Story Emergency Shelter for New Converts and Others

Funds Requested: \$15,000

Matching Funds: \$5,000 (\$2 given / \$1 match)

Memo Word: DORM

Donations Needed: \$10,000

This project was initially funded through special donations, including Pastor K.K. Alavi himself. The requested funds will complete the project by finishing the internal work such as electrical, plumbing, and misc. furnishing. This project will provide a place for several families to shelter from the persecution resulting from following the Word of Jesus Christ. We hope that this gives them a protected temporary place to allow time to recover and restart their lives.

Second Project: Pond Renovation

Funds Requested: \$5,000

Matching Funds: \$2,500 (\$1 given / \$1 match)

Word: POND

Donations Needed: \$2,500

Recent flooding in the region has resulted in collapse of the pond's walls and this project will support the repair. The spring fed pond meets multiple important purposes such as drinking water and baptisms. This has been a major blessing to those in need.

We ask that you prayerfully consider supporting these two projects. We appreciate your ongoing prayers and continued generosity for the people and ministry happening in Bisharah.

Use this link to access our donation site which allows the giving of a one-time gift, or you can set up an auto pay option for greater convenience.
